Due to the volume of documents and time needed to prepare, along with the logistics of arranging your clients travel to Billings for their in-person evaluations, I expect these 4 evaluations will be staggered over the next 6-9 months. Please note that Defendants will not accept remote forensic evaluations.

Dr. Butz has requested that Ariane Rowland's evaluation be set first, on Friday May 26, 2023. Please confirm her availability for this date. I will be back in touch with you shortly with respect to the time and specific location in Billings.

Sincerely,

A handwritten signature in black ink, appearing to read "Butz" followed by a stylized flourish.
